Barnstead Smart2Pure Pro UV/UF 16LPH Full System 60L Tank

Barnstead Smart2Pure Pro UV/UF 16 LPH with 60 L Re-circulation Tank, Pretreatment and Wall Mount- Provides Type I, ultra low organic and Pyrogen Free Ultrapure Water from tap water.

All in One ! The Smart2Pure™ Pro system is a compact system which converts tap water to into ASTM Type 1. The Smart2Pure Pro UV/UF 16 LPH offers the choice of a 30 L or 60 L reservoir for customizable storage capacity and ability to dispense both ASTM Type 1 and Type II water.

Description

Lasting economy:

- Water purification progresses through independent cartridges with Aquastop quick connects for fast replacement.
- *Module 1* reverse osmosis cartridges to remove up to 99% of tap water impurities
- *Module 2* includes a polishing cartridge that contains high-quality ultrapure resin for consistent purity and long cartridge life.

Easy-to-operate:

- Dispensing is easy and features variable speed to control flow.
- The display can be tilted for optimal reading.
- Simplified User Interface

Placement Options:

- Position on laboratory bench
- Mount it on the wall

New Features:

- Automatic Standby mode when system is not in use recirculates water through system to maintain purity
- Leak detector shuts off water supply and system if leak is detected
- Alerts show on display when to replace consumables
- Reverse osmosis water quality monitoring
- Inline ultrafilter with large surface area to remove endotoxins and nucleases.
- System parameters are code-protected to prevent accidental changes to set points

Smart2Pure Pro offers reservoir options, either 30 or 60L:

- Large opening allows easy and effective cleaning by hand.
- Sterile venting filter/reservoir overflow protects against contamination by microorganisms.
- Optional CO₂ absorber prevents TOC value increases from drawn-in CO₂.
- Polyethylene reservoir is opaque to light.
- Recirculation pump protects the high purity water from bacterial growth during standstills and maintains the low conductivity value.
- Wall-mount is optional for simple space-savings.
- Conical bottom outlet allows for complete draining and efficient cleaning and disinfection.

Optional Hand Dispenser:

- Gain increased flexibility by adding a hand dispenser with 3m cord Part #50138221
